

DEPARTMENT OF PAEDIATRICS

GRAND ROUNDS

Please join us as we welcome our speaker:

Dr. Marianna Mitchell,
FAAP, FRCP(C), Lakeridge Health Corp., Oshawa site,
Department of Paediatrics

The topic:

"Leading the Way: Bringing Infant Nutrition Closer to Breast Milk Function and Composition"

Objectives:

1. Explore the role of prebiotics in supporting GI health in infants
2. Examine advances in infant nutrition to more closely approximate the nutritional and functional properties of breast milk
3. Review the importance of DHA and ARA in cognitive and visual development and in immune health

When: THURSDAY September 22nd, 2011

Where: RVH 3rd Floor Auditorium

Time: 0800-0900 hours

This program is sponsored by Mead Johnson, breakfast will be served.

"This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, approved by the RVH Paediatric CME Planning Committee."
